

NEW APARTMENTS

The one address for Apartment Developers

Advertise your apartment development on Australia's number one real estate site, realestate.com.au.

New Apartments is a showcase of the country's newest and most sought after apartment developments.

It targets investors and owner-occupiers looking for new apartments that provide the convenience of inner-city living with luxury design and world class facilities.

Designed for medium to high density apartment developers to reach target markets and drive qualified traffic to their site.

Advertise in New Apartments and benefit from:

- Driving targeted traffic to your site
- Increased sales enquiries
- Lower acquisition costs
- Fully measurable results
- Development of your online brand
